# MARYKNOLL SCHOOL SUMMER PROGRAMS 2018

2-8	Summer Intersession Programs
9-11	Grade School (K-8) General Information & Registration
10-22	Grade School Course Descriptions
23-27	High School General Information & Registration
27-28	High School Course Descriptions
29	Mx Summer Academy
30	Driver Education Program

## Summer School Program

June 5-July 13

Grades K-8

Maryknoll Grade School  
(8:00a.m.-12:15p.m.)

Grades 9-12

Maryknoll High School  
(7:45a.m.-12:45p.m.)

## Driver Education Program

June 6-July 11

### Summer Intersession Programs

End of Summer Bash: July 16-August 1

Spartan Basketball Camp: July 18-July 20

S.T.E.M. Camps: July 16-July 27

Drone Boot Camp: July 16-July 27

Expressions Camp: July 23-July 27

Explore Art Camp: July 23-July 27

USA Chess Camp: July 23-July 27

Video Game Creation Camps: July 23-July 27

VEX IQ Robotics Boot Camp: July 30-August 1

Language Camp: July 30-August 1

## MARYKNOLL SCHOOL, OFFICE OF SPECIAL PROGRAMS:

1526 Alexander Street, Honolulu, Hawaii 96822

Telephone: (808) 952-7340

Fax: (808) 952-7101

Mr. Dan O. Nagami, Director of Special Programs

Mrs. Kayla K.K. Yoneshige, Program Coordinator

## SUMMER INTERSESSION PROGRAM

Maryknoll School is pleased to announce the offerings of our summer intersession program. This program covers the interim period between the end of the summer school session until the beginning of the new school year. Program dates, times and age range of participants vary per program. Please read the program descriptions below for more information. Camp registration and additional information can be found at [activelearningcamps.com](http://activelearningcamps.com).

### REGISTRATION

To register for any of the Summer Intersession Programs, please complete the 2018 Summer Intersession registration form. Please complete a separate form for each student (photo copies of registration forms are acceptable). **Students should register for the grade in which they will enter in the Fall of 2018.**

Send the completed registration form and full tuition payment to:

Maryknoll School  
Office of Special Programs  
1526 Alexander Street  
Honolulu, Hawaii 96822

Only cash/checks are acceptable forms of payment (NO credit cards, money orders). Please make checks payable to **Maryknoll School**.

### REGISTRATION DEADLINE

Deadline for registration for all Summer Intersession Programs is **May 4, 2018**. Early registration is recommended as these programs fill quickly.

#### Late Registration

Students who register after May 4, 2018, will be charged a late fee of \$35.00 per student, and will be registered on a space available basis only.

#### Withdrawal

For students who withdraw on or before May 4, 2018, \$200.00 per program, per student is non-refundable. No tuition refund will be given for withdrawal after May 4, 2018.

## COURSE DESCRIPTIONS

### USA CHESS CAMP

**Grades:** 8-16

**Dates:** July 23-July 27

**Cost:** See online

**Time:** See online

This summer, USA Chess is offering a fun and entertaining chess camp at Maryknoll School. Children ages 5-15, from beginner to advanced are welcome! USA Chess is the largest chess camp organizer for children in the United States. Their staff is comprised of the finest children's chess instructors in North America. Campers will experience chess instruction and play in a fun-filled environment designed to improve their skills whether they are interested in casual or competitive chess. Registration options include: mornings, afternoons and an all-day session. Tuition includes camp t-shirt, chessboard and pieces, trophy, certificate of achievement with camp photo, chess notation book and work folder.

Please visit their website at [activelearningcamps.com](http://activelearningcamps.com) to register for the camp or for further details.

### MODDING, NETWORKING AND HOSTING WITH MINECRAFT

**Ages:** 8-16

**Dates:** July 23-July 27

**Cost:** See online

**Time:** See online

Minecraft is hugely popular because it's collaborative, open-ended and moddable. Our program preserves those qualities and adds a large dose of fun! The week begins with learning the game, controls, recipes and a bit about hosting and networking. Next campers are connecting to different worlds hosted on our secure server and experimenting with character skins, mods and custom maps. By day three the kids are building in the Active Learning World that grows over time. Whether adding a room, building a moat or even creating a chessboard the possibilities are nearly limitless. This is a half-day program. Students can add an additional program to make it a full day camp.

Please visit their website at [activelearningcamps.com](http://activelearningcamps.com) to register for the camp or for further details.

## KUDO VIDEO GAME CREATION-ADVENTURE

**Ages:** 8-16

**Dates:** July 23-July 27

**Cost:** See online

**Time:** See online

Children will have the option of learning how to program using a Microsoft Xbox controller! Students will create their own cool custom world and navigate through it. Within this world they will create tasks that need to be completed in order to progress to the next level. Some of those tasks include escaping a sewer maze, survival mode, outwitting rivals, creating decoys and collecting bonus items all while having fun! This is a half-day camp. Xbox controller is optional and supplied by the student. Students can add an additional program to make it a full day.

➤ Please visit their website at [activelearningcamps.com](http://activelearningcamps.com) to register for the camp or for further details.

## VIDEO GAME CREATION: PLATFORM STYLE (SONIC AND MARIO)

**Ages:** 8-16

**Dates:** July 23-July 27

**Cost:** See online

**Time:** See online

In this camp children build a game described as a "platform" game like Sonic or Mario. Children have a blast as their characters do the impossible, overcome obstacles and opponents and then conquer the Big Boss. The character progresses on a long path (like a journey) with the background scrolling behind it and adversaries, prizes, obstacles, are encountered as it goes. Lessons on the basics will be similar to the Arcade course in the very beginning, but the class diverges and different programming techniques are taught in order to build this Platform game. This is a half-day program. Students can add an additional program to make it a full day camp.

➤ Please visit their website at [activelearningcamps.com](http://activelearningcamps.com) to register for the camp or for further details.

## END OF SUMMER BASH

**Grades:** K-6

**Dates:** July 16-August 1

**Cost:** \$900

**Time:** 7:30a.m.-5:30p.m.

Our End of Summer Bash is a summer fun, non-academic, all-day care program. Daily activities include cooking, arts and crafts, sports and games and more! Program costs include all activities, an afternoon snack and all weekly excursion fees.

## EXPRESSIONS CAMP

**Grades:** 2-5

**Dates:** July 23-July 27

**Cost:** \$300

**Time:** 8:00a.m.-11:45a.m.

Use your summer months to express yourself! Campers will use their creative minds in a combination of art and creative movement classes. Tap your imagination while creating unique works of art in a variety of mediums. Drawing, painting, printmaking, paper mache', ceramics and more! Follow your art creations with some creative movement and introduction to some basic dance skills!

## EXPLORE ART CAMP

**Grades:** 6-11

**Dates:** July 23-July 27

**Cost:** \$350

**Time:** 10:30a.m.-3:00p.m.

Our Explore Art camp provides opportunities for your creative art expressions! Explore art three-dimensionally, creating sculptures out of a variety of mediums, including clay, paper mache' and more! Learn the "ins and outs" of drawing, printing and design. Create a variety of artwork while expanding your creative side!

## DRONE BOOT CAMP

Grades: 5-9

Dates: July 16-July 27

Cost: \$600

Time: 8:00a.m.-12:00p.m.

Interested in flying a drone? A new video production company,(Koleagold) owned and operated by Maryknoll alumni, are searching for students interested in cinematic drone operations. This boot camp will include an introduction to drone operations for aerial cinematography, remote pilot certifications, and drone maintenance. Enrolling in this camp, will allow campers an opportunity to become Hawaii's leading drone pilots, capable of providing excellent drone operations.

\*Completion of this camp will make you eligible for a possible internship with Koleagold LLC

## SPARTAN BASKETBALL CAMP

Grades: 4-8

Dates: July 18-July 20

Cost: \$150

Time: 9:00a.m.-12:00p.m.

Spartan basketball is on the rise! Join our Spartan coaching staff this summer to enhance your basketball skills. This camp is open to both boys and girls, of all basketball levels. Campers will work on fundamental skills, as well as advanced drills, and team play.

## S.T.E.M. ADVENTURE CAMPS

**Grades:** K-3

**Dates:** July 16-July 27

**Cost:** Varies (see below)

**Time:** 8:00a.m.-12:00p.m.

\$350 (per camp/week; no child care provided)

\$600 (per camp/week; includes child care until 5:30 p.m.)

\$700 (both camps; no child care provided)

\$1,200 (both camps, includes two weeks of child care)

Welcome to the new, exciting world of S.T.E.M. (Science, Technology, Engineering, Math). Our two, one-week camps, run by Bricks4Kidz will provide every student with exciting, new, and fun “hands-on” activities... daily take home crafts, based on a different theme each week of camp! (Enroll for one or two camps!) Childcare after camp (12:00-5:30) is also available for an additional charge. Daily snack and drink provided for all camps. Each camper will also receive a mini-figure that they will use daily and then get to take home at the end of the week.

### SUPER HERO ACADEMY

**Grades:** K-3

**Dates:** July 16-July 20

**Cost:** \$350

**Time:** 8:00a.m.-12:00p.m.

Join Bricks4kidz for a week building Super Heroes with LEGO bricks. Campers will recognize a family of incredible heroes, hero guardians in space, teen heroes, and of course their favorite classic heroes. Explore all the caped crusaders and discover their super powers. Build a fantasy world and protect it from enemies with custom contraptions made with LEGO bricks. At the end of the week, all super hero campers will take home a t-shirt and a super hero mini-model.

## TRANSFORMATION CREATIONS CAMP

**Grades:** K-3

**Dates:** July 23-July 27

**Cost:** \$350

**Time:** 8:00a.m.-12:00p.m.

Get ready to build and discover how your model transforms! Campers will love the mash-up of combination models that can be rebuilt into something different. These awesome 2-in-1 models will include exciting robots, vehicles and more! Ignite your inner engineer by using your imagination to transform your model into something unique. Join us for this fun-filled camp! Campers will receive a Bricks4kidz t-shirt and a take home mini model at the end of the week.

## VEX IQ ROBOTICS BOOT CAMP

**Grades:** 5-8

**Dates:** July 30- August 1

**Cost:** \$225

**Time:** 8:00a.m.-11:00a.m.

Join the newest S.T.E.M. craze in a 3-day VEX IQ Robotics Boot Camp! Campers will learn how to design, build, and drive a robot to complete mini challenges and compete in matches using the VEX IQ robotics platform.

## LANGUAGE CAMP

**Grades:** 1-3

**Dates:** July 30- August 1

**Cost:** \$180

**Time:** 8:00a.m.-11:00a.m.

Explore another language in our new summer Language Camp! Campers will be introduced to the world's most widely spoken first language, Mandarin! Basic instruction in reading, writing and speaking Mandarin will be taught thru various camp activities.

## SUMMER SCHOOL 2018 GRADE SCHOOL DIVISION (GRADES K-8)

### DATES

Summer School will begin on Tuesday, June 5, 2018, and will end on Friday, July 13, 2018. There will be no school on Wednesday, July 4, in observance of Independence Day.

### DIRECTIONS TO MARYKNOLL GRADE SCHOOL

1722 Dole Street, Honolulu, Hawaii 96822

#### By Car: From Leeward/Central/Windward Oahu

- Take H-1 East to Punahou Street Exit
- Turn left on Punahou Street
- Turn right on Dole Street

#### From East Oahu

- Take H-1 West to the Wilder Avenue Exit
- Proceed on Wilder, take a left onto Alexander Street
- Turn right on Dole Street

### PICK-UP AND DROP-OFF

Please use the Dole Street and Wilder Avenue driveways only (assistance is available on both driveways). Left turns are illegal at all times into both driveway areas.

### ATTENDANCE

Regular and punctual attendance is required. **If a student will be absent from Summer School, a parent should call the Office of Special Programs by 7:45 a.m. that morning (Grade School: 952-7340).** If a student is absent from school, a written explanation signed by the parent must be presented to the instructor upon returning to school. If a note is not presented, it is considered an unexcused absence and teachers are not required to give make-up work or tests.

### STUDENT'S SAFETY

**Students should not arrive on campus any earlier than 7:00 a.m.** If a student is registered for only one class, he/she should not be dropped off any earlier than 15 minutes prior to the start of their class and should leave promptly after his/her class. Loitering on campus will not be permitted. Maryknoll School will not accept responsibility for unattended children before or after their scheduled classes.

## **DRESS STANDARDS**

Informal dress standards will be appropriate for summer school. Shorts and slippers in good appearance are acceptable. Students in sports and recreation courses (including Afternoon Care) are required to wear athletic shoes. Neatness, cleanliness and good taste are qualities expected of summer school students.

## **CONDUCT**

Students are expected to maintain normal, acceptable standards of conduct based on respect for teachers, students, and property. Individuals who do not conduct themselves in an appropriate manner should expect strong disciplinary action, including the possibility of suspension or in extreme cases, expulsion.

## **GRADE REPORTS**

Final grades for all students will be distributed to students on the last day of summer session, July 13, 2018. Non-Maryknoll students are responsible to forward summer school report cards to their home schools (if necessary). Students not present for report distribution will need to pick-up at the Office of Special Programs, no later than Tuesday, July 31. There will be NO mailing of grade reports.

## **CLASS SUPPLIES**

Please note that some classes may require additional classroom supplies. Supply lists will be sent home on the first day of classes. For those students registering for academic classes, please have your child report to class with basic school supplies (pencil, pen, paper, folder).

## **HOW TO REGISTER**

The Maryknoll Grade School Summer Program offers students, kindergarten through grade eight, a variety of classes for review, remediation, acceleration and enrichment.

## REGISTRATION

To register for the grade school summer courses, please complete the summer school registration form found in the middle of this booklet. Please complete a separate form for each student. Additional forms are available at the Maryknoll Grade School Office, and the Office of Special Programs (photo copies of registration forms are acceptable). **Students should register for the grade in which they will enter in the Fall of 2018.**

Send the completed registration form and full tuition payment to:

Maryknoll School  
Office of Special Programs  
1526 Alexander Street  
Honolulu, Hawaii 96822

Only cash/checks are acceptable forms of payment (NO credit cards, money orders). **Please make checks payable to Maryknoll School.**

**Out of state and country students must provide a current TB clearance (signed by a U.S. doctor), prior to the first day of summer school. Students will not be admitted to summer school without proper medical clearance.**

## REGISTRATION DEADLINE

**Deadline for registration in the Maryknoll Grade School Summer Program is May 4, 2018.** Early registration is recommended as courses fill quickly. (Students who register after May 4, 2018, will be charged a late fee of \$35.00, and will be registered on a space available basis only.)

Registration is done on a first-come, first-served basis. Maryknoll School reserves the right to cancel a course if there is insufficient enrollment. Confirmation of a student's class schedule will be mailed home by May 16, 2018. For students who withdraw on or before May 4, 2018. \$200.00 per course is non-refundable. No tuition refund will be given for withdrawal after May 4, 2018.

## CHANGES IN REGISTRATION

Any change in a student's summer registration after May 4, 2018, will incur a \$40.00 administration fee. This fee will only be waived if change in registration is initiated by Maryknoll School or any of its faculty and/or staff, with the final approval of the director.

## GRADE SCHOOL COURSE DESCRIPTIONS

### TENDER FOOT

Grades: Kindergarten

Dates: June 5-July 13

Cost: \$950

Time: 8:00a.m.-12:15p.m.

This program is designed to provide the children with experiences in individual and group activities to develop skills in listening, speaking, reading and math readiness, and independent work. The students will begin handwriting of single phonograms and numbers (1-10), using proper pencil grip.

### FIRST GRADE ADVENTURES

Grades: 1

Dates: June 5-July 13

Cost: \$950

Time: 8:00a.m.-12:15p.m.

Designed for students needing to review kindergarten skills. This course focuses on phonics, math and other areas in order to get a better start in first grade.

### CHINESE IMMERSION

Grades: Kindergarten

Dates: June 5-July 13

Cost: \$950

Time: 8:00a.m.-12:15p.m.

This dual language program is designed to develop skills in listening, speaking, reading and math readiness both in Mandarin and English. Children will be immersed in Mandarin for 2 hours and English the 2 hours. Mathematics will be taught in Mandarin and Language Arts in English.

### GRAMMAR BOOTCAMP

Grades: 6-8

Dates: June 5-July 13

Cost: \$475

Times: 8:00-10:00a.m.

10:15a.m.-12:15p.m.

Proper use of grammar is part of a successful student's career. In Grammar Boot Camp, middle school students will be exposed to a scaffolding system of learning: concentration on the eight parts of speech, constructing basic sentences and developing fluent and interesting written content. Lessons are designed to layer understanding and boost a student's confidence in writing.

## FUN WITH LANGUAGE ARTS

Grades: 1-5

Dates: June 5-July 13

Cost: \$475

Times: 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

Through individual, small group and whole-class activities, the skills of reading and writing will be practiced and developed. English proficiency commensurate with grade level is expected of all students. *This course is not designed to reinforce English as a second language.*

## LITERATURE AND WRITING

Grades: 6-8

Dates: June 5-July 13

Cost: \$500\*

Times: 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

This course is designed to strengthen the reading and writing skills of the middle school student. Using a literature-based curriculum, students will engage in daily reading and writing activities through the use of different genres. **This course is reading and writing intensive.**

\*Cost includes rental of course reading materials.

## MATH EXPLORATION

Grades: 1-7

Dates: June 5-July 13

Cost: \$475

Times: 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

Students will explore mathematical concepts and their connection to each other and in the context of other subjects through discussion, projects and other activities. Computational and mental arithmetic skills will also be reviewed.

## ALGEBRA PREVIEW

Grades: 8

Dates: June 5-July 13

Cost: \$500\*

Times: 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

Designed for students who will be taking Algebra I during grade 8, this course will reinforce and extend basic algebra skills and concepts. Additionally, problem-solving and exploratory topics will be addressed.

\*Cost includes rental of course textbook.

## TECHNOLOGY IN THE MIDDLE SCHOOL

Grades: 6-8

Dates: June 5-July 13

Cost: \$475

Times: 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

This course will develop skills that are necessary for every middle school student. As students move to become 21st century learners, technology will play a vital role in their educational success. This course will introduce students to the use of technology to set goals, improve time management, test preparation and organizational skills. *This course is highly recommended for middle school students entering Maryknoll School.*

## SPECIAL INTERESTS

### BEGINNING UKULELE

Grades: 2-4

Dates: June 5-July 13

Cost: \$475

Time: 10:15a.m.-12:15p.m.

Students with no prior musical experience will learn to play musical selections on the ukulele. Students may rent instruments for a fee of \$20, or provide their own ukulele for class use.

### CODE IT!

Grades: 1-3

Dates: June 5-July 13

4-6

Times: Varies by grade (see below)

Cost: \$525

Grade 1-3: 10:15a.m.-12:15p.m.

Grade 4-6: 8:00a.m.-10:00a.m.

Software is everywhere. It's shaping almost every aspect of how we live our lives. But very few kids are learning how to actually create games, apps and programs. Did you know all students can learn to code? Coding is a critical 21st century skill. Code It! is fun, collaborative, and creative! This engaging summer course features puzzles, video lectures by Mark Zuckerberg and Chris Bosh of the Miami Heat, as well as familiar characters from popular games Angry Birds and Plants vs. Zombies.

## **HANDS ON SCIENCE**

**Grades:** 4-6

**Dates:** June 5-July 13

**Cost:** \$475

**Time:** 8:00a.m.-10:00a.m.

In this class, students will be using state of the art technology (Zspace computers), science labs, building and engineering concepts to engage them in interdisciplinary science units.

## **HOOP IT UP**

**Grades:** 4-6

**Dates:** June 5-July 13

**Cost:** \$475

**Time:** 8:00a.m.-10:00a.m.

This course will provide students with basic skills and the concept of teamwork in the sport of basketball. This integrated course will use a variety of activities to teach fundamentals, which will allow each student to experience game situations, with equal amounts of playing time. Boys and girls will be grouped according to age and ability levels.

## **LEARN, BUILD, PLAY!**

**Grades:** 1-3

**Dates:** June 5-July 13

4-5

**Times:** Varies by grade (see below)

**Cost:** \$525\*

Grade 1-3: 8:00a.m.-10:00a.m.

Grade 4-6: 10:15a.m.-12:15p.m.

Tap into your child's potential by encouraging their curiosity and creativity with Bricks 4 Kidz®. Let them learn and grow through the summer months with our fun-filled model plans! Our plans, designed by engineers and architects, provide an engaging platform to explore principles of engineering, architecture, physics and more. Students will develop problem solving and critical thinking skills. The Bricks 4 Kidz® approach to learning is imaginative, multi-sensory and fun, creating a dynamic learning experience for your students. The material covered in each session will vary depending upon students' age, experience, and skill level.

\*Tuition includes t-shirt, weekly models and all LEGO and filming supplies)

## COMPUTER ANIMATION

Grades: 5-8

Dates: June 5-July 13

Cost: \$525

Time: 10:15a.m.-12:15p.m.

This course focuses on computer animation, which involves creating moving images via the use of computers. Students will learn to create a digital commercial or short film using animated characters, text and music. During the course students work individually and create their own characters, write storyboards, edit sound and animate their stories using computer software.

## ADVENTURES IN THE RAINFOREST

Grades: 1-3

Dates: June 5-July 13

4-6

Time: Varies by Grade (See Below)

Cost: \$500

Grade 1-3: 8:00a.m.-10:00a.m.

Grade 4-6: 10:15a.m.-12:15p.m.

Explore the rainforest through art! Learn about different plants, animals, and people from the Amazon rainforest through drawing, watercolor, collage, and ceramics. Create fun and exciting works of art while learning basic art skills such as color mixing, shading, principles and elements of design, and three-dimensional construction.

## EXPLORE MANDARIN

Grades: 1-3

Dates: June 5-July 13

Cost: \$475

Times: 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

This course will introduce students to the world's most widely spoken first language, mandarin! Open to students at all levels of Mandarin proficiency, this class will allow students an opportunity to learn Mandarin in a fun, activity based classroom environment.

## COURT SPORTS

Grades: 1-3/4-6

Dates: June 5-July 13

Cost: \$475

Time: 10:15a.m.-12:15p.m.

Are you ready for some indoor court fun! Court Sports will provide the basic skills and knowledge of indoor recreational sports. Students will participate in team sports such as indoor soccer, volleyball, basketball, flag football, field hockey and more.

### **MAKE AN APP!**

**Grades:** 5-8

**Dates:** June 5-July 13

**Cost:** \$525

**Time:** 8:00a.m.-10:00a.m.

Ever wondered how to create a special app on your smartphone or iPad? This course allows students to create simple apps for mobile devices (iPhone or Android) and iPads. In this course, students will work individually in learning the program and manipulating templates to create apps. Students can create different apps including information style apps, magazine apps, mobile ordering apps, public event apps, membership apps, restaurant apps and many more without having to know coding.

### **KEIKI CHEFS 2.0 INTERNATIONAL**

**Grades:** 2-4

**Dates:** June 5-July 13

**Cost:** \$500

**Times:** 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

Do you love to help in the kitchen? In this cooking class, you will prepare healthy, multi-culturally inspired recipes. We will introduce ingredients and flavors that will help broaden food tastes. Students will learn about various countries and cultures of the world, and enjoy tasting international cuisine. Students will also learn about nutrition and building a strong foundation for healthy eating.

### **ROBOTICS FOR YOUNG THINKERS**

**Grades:** 1-3

**Dates:** June 5-July 13

**Cost:** \$475

**Time:** 8:00a.m.-10:00a.m.

10:15a.m.-12:15p.m.

Take the curiosity and imagination of young students, add the everlasting fun and excitement of LEGO and what you get is a hands-on approach of introducing students to S.T.E.M. (Science, Technology, Math and Engineering). Using a combination of Lego kits including Dacta and WeDo to build and create projects students will explore the concepts behind simple machines including gears, levers and pulleys. They will build projects that use sensors and require simple programming while integrating math and science concepts. Students will also take part in challenges to test their robotic skills, proving that you can learn and have fun at the same time!

## SCIENCE ALIVE

Grades: 1-3

Dates: June 5-July 13

Cost: \$475

Time: 10:15a.m.-12:15p.m.

Plants, planets and physics! Oh my! In this class, students will be engrossed in curricular tied science projects and project based learning. Discovery is the key in this class, as students will be interacting with state of the art technology (Zspace computers and iPads) to uncover the exciting world of science.

## VEX IQ ROBOTICS

Grades: 4-5

Dates: June 5-July 13

6-8

Times: Varies by Grade (See Below)

Cost: \$500

Grades 4-5: 8:00a.m.-10:00a.m.

Grades 6-8: 10:15a.m.-12:15p.m.

Learn how to design, build, and drive a robot to complete mini challenges and compete in matches using the VEX IQ robotics platform. In this course, students will get a hands-on approach to problem-solving, teamwork and leadership skills.

## AFTERNOON CARE PROGRAMS

Boys and girls, grades K-8, may enroll in the Afternoon Enrichment Programs, whether or not they are enrolled in the Maryknoll Summer School Program.

### AFTERNOON CARE PROGRAM

Grades: K-6

Dates: June 5-July 13

Cost: \$700\*

Times: Grades K-6: 12:15p.m.-5:30p.m.

Grades 4-6: 2:00p.m.-5:30p.m.\*\*

This program provides continuous afternoon supervision from 12:15-5:30 p.m., on summer school days. Lunch may be purchased from our snack bar area on a daily basis, or students may bring their own home lunch. (Organized indoor and outdoor activities, cooking and craft projects are planned daily.) Students will also go on weekly field trips, except those students that are enrolled in afternoon enrichment classes. Further information will be provided upon enrollment.

\*Cost includes all activity, supplies and field trip fees.

\*\*Students (grades 1-6 only) enrolled in afternoon enrichment programs have the option to enroll in the Summer After School Care Recreation Program from 2:00-5:30 p.m. at a reduced cost of \$500.00 (includes all activities and afternoon snacks). Students enrolled in this class do not participate in excursions due to time conflict with afternoon enrichment classes.

## AFTERNOON ENRICHMENT PROGRAMS

### ADVANCED SPIKE IT!

Grades: 5-8

Dates: June 5-July 13

Cost: \$325

Time: 1:00p.m.-2:30p.m.

This class will give students a head start on the preparation for the upcoming school volleyball season. Students will experience basic passing, blocking, serving, and spiking skills, along with offensive and defensive volleyball strategies. Boys and girls will be grouped by skill level.

### SPARTAN FITNESS

Grades: 5-8

Dates: June 5-July 13 (Mon/Wed/Fri)

Cost: \$250

Times: 1:30p.m.-3:00p.m.

Let's get fit! This class is open to students of ALL fitness levels. Whether you are looking to start a fitness program, or need additional strength and conditioning for a specific sport, this class is for you. Using the Maryknoll Community Center fitness room, this course will assist in developing an individual conditioning program for all students.

## **DIGITAL FILM MAKING**

**Grades:** 5-8

**Dates:** June 5-July 13

**Cost:** \$525

**Time:** 1:00p.m.-3:00p.m.

This course focuses on the basics of video production, essential film grammar, story development, script, music, and sound. Students will learn all the basics of making a strong, visually-driven short film with an emphasis on community awareness. During the course students learn how to work in a group to plan for and realize a short film from concept to shooting script. During production, students work together to coordinate and shoot their script.

## **JR. ROBOTICS**

**Grades:** 3-5

**Dates:** June 5-July 13

**Cost:** \$525

**Time:** 1:00p.m.-3:00p.m.

How would you like to turn your next LEGO® creation into a robot, programmed to do exactly what you tell it to do? The Bricks4kidz® Junior Robotics class offers all the fun of building with LEGO® Bricks, plus the challenge of computer programming. Using drag-and-drop, icon-based software, the WeDo and EV3 software provide an introduction to the world of computer programming and robotics that will equip children to succeed in a technology-based marketplace. We will also introduce students to LEGO®-compatible electronic bricks to add to their building fun!.

## **JUNIOR LEADER PROGRAM**

**Grades:** 7-8

**Dates:** June 5-July 13

**Cost:** \$300

**Time:** 12:15p.m.-4:30p.m.

Our junior leader program is open to all students in grades 7 and 8. Students in the program will assist our staff in the Afternoon Care Program. Our junior leaders are an important component to our summer program staff.

\*Cost includes all activity, supplies and field trip fees.

## **KARATE**

**Grades:** 1-6

**Dates:** June 5-July 13 (Th/F)\*\*

**Cost:** \$130\*

**Time:** 1:00p.m.-2:00-p.m.

We are honored to have the world-renowned International Karate Federation (IKF) join our afternoon summer enrichment program. Under the leadership of Sensei Mari Kotaka Kaneshiro, IKF will focus on character development, physical fitness, and the learning of basic to intermediate skills in karate.

\*Additional fees for optional purchasing of uniforms/equipment not included.

\*\*No class on June 28/29.

## SUMMER SCHOOL 2018 HIGH SCHOOL DIVISION (GRADES 9-12)

### DATES

Summer School will begin on Tuesday, June 5, 2018, and will end on Friday, July 13, 2018. *There will be no school on Tuesday, July 4, to observe Independence Day.*

### SUMMER SCHOOL OFFICE TELEPHONE NUMBER

Office of Special Programs: 952-7340 (*before June 5*)

Summer Office (High School Division): 952-7205 (*from June 5*)

### DIRECTIONS TO MARYKNOLL HIGH SCHOOL

1402 Punahou Street, Honolulu, Hawaii 96822

By Car: From Leeward/Central/Windward Oahu

- Take H-1 East to Punahou Street Exit
- Turn left onto Punahou Street
- Turn left at school entrance

By Car: From East Oahu

- Take H-1 West to the Wilder Avenue Exit
- Proceed on Wilder, take a left onto Punahou Street
- Turn right at school entrance

### PICK-UP AND DROP-OFF

Parents are asked not to drive on campus to pick up or drop off students before and after school. Our “one lane” driveway makes this impossible to accommodate. Special arrangements may be made through the school office for students with limited mobility. Parents are asked to be considerate of our neighbors when dropping off or picking up students. Please avoid double-parking and blocking local streets. Arcadia is not to be used for pick-up and drop-off. Parents are advised to use Dole Street area at the grade school campus, as a pick-up/drop-off area for students. From Dole Street, students are able to cross Punahou Street at crosswalks controlled by traffic lights before and after school. Students are not to use the crosswalk at Clark Street due to dangerous traffic situations.

### STUDENT PARKING

Only high school faculty and staff members are allowed to park on the high school grounds. Parents may park in the assigned visitor spaces in the rear of the school for meetings during school hours. Spaces in the front of the school are intended for pick-up or drop-off in the office

during school hours. Students may not park on campus prior to 3:30 p.m. without permission. *Any unauthorized cars parked on any school grounds during summer school hours will be towed, at the owner's expense.*

## **GRADE REPORTS**

Deficiency (students receiving a grade below a C-) mid-term grade reports will be mailed home on June 22, 2018. Final grades for all students will be mailed home at the end of the summer school session. Non-Maryknoll students are responsible for contacting the High School Summer office for the forwarding of grade reports to their home school.

## **CLASS AUDITS**

Students will only be allowed to audit a summer course with the prior approval of the Director of Special Programs. Class audits will need to be approved BEFORE the start of the summer school session. Any student starting a summer school course without an audit approval will be taking the course for grade and credit (if applicable).

## **WITHDRAW/INCOMPLETE**

Students are able to withdraw from a summer school course at any time after the start of the summer session, with a written notice from a parent or guardian. The student's progress at the time of the withdrawal will either be a "WP" (withdraw passing), or a "WF" (withdraw failing), and be noted as such on any official student documents. An incomplete mark will be given to a student, who withdraws from a summer school course with no written notice, or does not meet the minimum attendance requirement for the class (see attendance policy below). No credit will be earned for any student that withdraws or receives an incomplete for a course.

## **FINAL EXAMS**

Final exams for all academic classes will be given on either July 12 or 13. ALL students MUST be in attendance on July 12-13, during the regular class hours. Students will not be allowed to take final exams either before or after the scheduled date and time of their class exam. Failure to complete a final exam will result in a failing class grade, and no credit earned.

## **ABSENCES/TARDINESS**

Regular and punctual attendance for summer school is required. If a student will be absent from summer school, a parent must call the Summer School Office at 952-7205. Kindly call in your child's absence by 7:45 a.m.

## ATTENDANCE POLICY

If a student misses more than three days of summer school, no credit will be given for the course. Due to the accelerated pace of learning in summer school, one day of summer school is equivalent to five regular school year days. The High School does not approve absences for vacation trips, summer camps, athletics, work, job interviews, or driver's license exams. These (and the like) will be considered **unexcused absences** and teachers are not required to give students make-up work or tests. Maryknoll School reserves the right to request a doctor's note to substantiate any absence from class. If this policy is not agreeable to parents and their child, the Maryknoll School Director of Special Programs, discourages enrollment in the summer school programs.

## DRESS STANDARDS

The high school has a dress code. The dress code is based on the principle of appropriate taste for the atmosphere at Maryknoll School, which reflects the standards of the Maryknoll community. Students in sports classes are required to wear athletic shoes. Students in academic classes are to refer to the guidelines below:

**TOPS:** Collared shirts are preferred. T-shirts are acceptable, provided they are not cut or altered in any way. Designs on t-shirts must not be vulgar, or hint at any unacceptable behaviors, or lifestyles. Tank tops, camis, spaghetti straps, or bikini tops are NOT allowed.

**SWEATSHIRTS/JACKETS:** These types must be free of offensive language and negative imagery; no holes, tears, rips or ragged-looking appearance.

**BOTTOMS/BOYS:** Athletic shorts, board shorts, dress shorts and jeans (no rips or holes) are acceptable. Tights, leggings, pajamas, sweats are prohibited.

**BOTTOMS; GIRLS:** Jeans (no rips or holes), walking shorts (length slightly above knee or longer) are acceptable. Tights, leggings, pajamas, sweats are prohibited.

**HAIR AND ACCESSORIES:** All accessories should be appropriate for the school setting, without distraction to the learning environment. Students are expected to keep their hair clean and neat in appearance. Unconventional hairstyles and colorings are not acceptable. Visible body piercings are only allowed on the ear area. Any other visible body piercings are not allowed.

**FOOTWEAR:** Footwear is required at all times for all students. Slippers are acceptable on a daily basis, except for science labs, where covered shoes are required.

## CONDUCT

Maryknoll School is a place where students and teachers come together to learn in an atmosphere of mutual respect and personal responsibility. Maryknoll School is a drug, alcohol, and tobacco free school, where prevention is considered a very important element of student safety and consistency. Any behavior which disrupts the learning process, threatens the safety of others, determined to be illegal, or fails to respect the human or property rights of others is unacceptable. Any student found in violation of this policy will face severe disciplinary action with the possibility of expulsion from the summer school program. **Any abuse of illegal substances, or possession of such, will result in immediate expulsion of all involved students.** The Director of Special Programs will handle all major discipline matters.

## BREAK TIME

Students registered for only one class should plan to arrive and depart promptly. Loitering on campus will not be permitted. There will be a common break time from 10:15a.m. to 10:30a.m. Students are not allowed to leave campus during break time, unless they have completed all classes for the day.

## HOW TO REGISTER

### REGISTRATION

To register for the Maryknoll High School Summer Program, please complete the summer school registration form found in the middle of the booklet. Please complete a separate form for each student. Additional forms are available at the main office of the high school and the Office of Special Programs (photo copies of registration forms are acceptable). **Students should register for the grade in which they will enter in the Fall of 2018.**

Send the completed registration form and full tuition payment to:

Maryknoll School  
Office of Special Programs  
1526 Alexander Street  
Honolulu, Hawaii 96822

Only cash/checks are acceptable forms of payment (NO credit cards, money orders). **Please make checks payable to Maryknoll School.**

**Out of state and country students must provide a current TB clearance (signed by a U.S. doctor), prior to the first day of summer school. Students will not be admitted to summer school without proper medical clearance.**

## REGISTRATION DEADLINE

**Deadline for registration in the Maryknoll High School Summer Program is May 4, 2018.** Early registration is recommended as courses fill quickly. Students who register after May 4, 2018, will be charged a late fee of \$35.00 and will be registered on a space available basis only.

**Registration is done on a first-come, first-served basis.** Maryknoll School reserves the right to cancel a course if there is insufficient enrollment. Notification of students' class schedules will be mailed home by May 16, 2018. For students who withdraw on or before May 16, 2018, \$200.00 per course is non-refundable. **No tuition refund will be given for course withdrawal after May 4, 2018.**

## CHANGES IN REGISTRATION

**Any change in a student's summer registration after May 4, 2018, will incur a \$40.00 administration fee.** This fee will only be waived if change in registration is initiated by Maryknoll School, or any of its faculty and/or staff, with final approval from the director.

## BOOK POLICY

Students in Grades 9-12 will be purchasing their books through MBS Direct ([www.mbsdirect.net](http://www.mbsdirect.net)), one of the largest mail order textbook suppliers in the country, currently serving thousands of students nationwide. More information regarding summer textbook purchasing will be mailed home with your child's confirmation letter.

## HIGH SCHOOL COURSE DESCRIPTIONS FOR CORE SUBJECTS

### ALGEBRA I

**Grades:** 9-11

**Dates:** June 5-July 13

**Cost:** \$900 (1 credit)

**Time:** 7:45a.m.-12:45p.m.

This course is an introduction to algebra concepts and skills. In particular, students will learn how to work with variables, simplify algebraic expressions, solve equations and systems of equations, graph functions and linear functions in the Cartesian coordinate system, and apply algebraic models to physics.

### GEOMETRY

**Grades:** 9-12

**Dates:** June 5-July 13

**Cost:** \$900 (1 credit)

**Time:** 7:45a.m.-12:45p.m.

In this course, students will study the properties and relationships of points, lines, angles, surfaces and solids. Students will learn to construct and make representations of one, two and three-dimensional shapes, and formulate conjectures about their properties. Students will also learn inductive and deductive reasoning and geometric proofs.

*Approval of current math teacher is required.*

## ALGEBRA II

Grades: 10-12

Dates: June 5-July 13

Cost: \$900 (1 credit)

Time: 7:45a.m.-12:45p.m.

This course builds on the concepts and reasoning abilities developed in Algebra I and Geometry. Besides extending algebraic ideas such as variables, math expressions, equations, inequalities, systems, graphs, and properties of real numbers, Algebra II focuses on linear and quadratic functions and introduces more advanced math modeling. *Approval of current math teacher is required.*

## CHEMISTRY

Grades: 10-12

Dates: June 5-July 13

Cost: \$925\* (1 credit)

Time: 7:45a.m.-12:45p.m.

This is a required course that studies the qualitative and quantitative fundamentals of chemistry, starting with nature of matter and ending with chemistry's relevance to biology. Students will learn laboratory techniques and safety through lab activities, and document their work to show the use of scientific method.

\*Includes lab supplies.

## SAT PREP

Grades: 10-12

Dates: June 5-22 or June 25-July 13

Cost: \$300\* (1/2 credit)

Time: 7:45a.m.-10:15a.m. (June 5-June 22)  
1:15p.m.-3:45p.m. (June 25-July 13)

Raise your SAT-1 scores and improve your college options! Learn to take the SAT faster and smarter, practice actual test exams, and build your vocabulary and math skills. This class will be run for three weeks only, see class dates above.

## ADVANCED TRAINING FOR ATHLETES

Grades: 9-12

Dates: June 5-July 13 (M/W/F)

Cost: \$250 (no credit)

Time: 1:30p.m.-3:00p.m.

This course is specifically designed for competitive athletes looking to enhance their out of sport training. Working with a personal trainer, athletes will be given a workout plan to increase strength, stamina, and overall conditioning to push them to another level in their specific sport.

## MARYKNOLL Mx SUMMER ACADEMY

Grade: 9

Dates: June 5-July 13

Cost: \$925\*

Time: 8:00a.m.-1:00p.m.

The Office of Special Programs is proud to introduce the Maryknoll Mx Summer Academy. The academy is recommended for all incoming, new freshmen to Maryknoll School. Students enrolling in the Mx Summer Academy will be enrolling into specified classes with Maryknoll School Mx instructors. These courses will practice a new methodology of instruction. However, the content and standards students are assessed against will remain the same. All students enrolling in the Mx Summer Academy will take one of their required freshmen classes: Biology, World History and Algebra. This will provide students the ability to accelerate through required courses and pursue mastery in upper level mathematics, science, and social studies content.

The Mx Summer Academy would provide students with the opportunity to earn:

- 1.0 science credit for successful completion of Mx Biology; recorded on transcript as Biology
- 1.0 mathematics credit for successful completion of Mx Algebra I; recorded on transcript as Algebra I
- 1.0 social studies credit for successful completion of Mx World History & Geography; recorded on transcript as World History

\*The tuition for the Mx Summer Academy is \$925.00. this tuition includes all classroom instruction, supplies and course costs. Students will be responsible for the purchasing of class textbooks, if needed.

## REGISTRATION

To register for the Maryknoll Mx Summer Academy, please use the summer school registration form found in the middle of this booklet. The Mx Summer Academy can be added to the Course selection box at the bottom of the registration form. Please adhere to all registration guidelines and deadlines on page 26-27.

## **DRIVER EDUCATION PROGRAM**

**Age:** 15½

**Dates:** June 6-July 11 (M/W/F)

**Cost:** \$200/\$450\*

**Time:** 1:15p.m.-3:15p.m.

Due to new State of Hawaii laws that require classroom and road certification prior to acquiring a driver's license, Maryknoll School will be offering a Driver Education Certification Program in partnership with the Driver Training Center of Hawaii. Successful completion of the Driver Education Program will provide students with the classroom instruction certification, and the behind-the-wheel (road) certification.

To register for the Driver Education Program, please use the summer school registration form at the end of this booklet. The Driver Education Program can be added by checking the course selection box in the right column of the registration form. Please adhere to all registration deadlines on page 26-27.

\*Cost of \$450 includes 30 hours of classroom instruction and six hours of behind-the-wheel instruction. Also included in the tuition is the cost of the classroom textbook and workbook, use of vehicle for road instruction, and all necessary paperwork for program certification. Cost of \$200 includes classroom instruction only, no permit needed.

## **REQUIREMENTS**

Students enrolling in the Driver Education Program must be 15 ½ years of age before the start of the program. A driver's learning permit is not required for the Driver Education Program, but it is highly recommended that prospective students obtain a permit. A mandatory Parent and Child Orientation meeting will be held prior to the start of the program (details upon enrollment).

The tuition for the full Driver Education Program is \$450.00. This tuition fee includes 30 hours of classroom instruction, and 6 hours of behind-the-wheel (road) instruction. Also included in the tuition is the cost of the classroom textbook and workbook, use of vehicle for road instruction, and all necessary paperwork for program certification.

The tuition for the classroom ONLY Driver Education Program is \$200.00. This tuition includes 30 hours of classroom instruction ONLY, and no behind-the-wheel instruction. Classroom textbook and workbook will be included, as well as all necessary paperwork for classroom certification, upon successful completion of classroom section.

## **REGISTRATION**

To register for the Driver Education Program, please use the summer school registration form found in the middle of this booklet. The Driver Education Program can be added to the Course selection box at the bottom of the registration form. Please adhere to all registration guidelines and deadlines on page 26-27.

# MARYKNOLL SCHOOL SUMMER PROGRAMS 2018
